FUNCTIONS & PARTIES.

Our whole thing with functions & parties is we want you & your whole group to all have a really great time !!

We also know organising them can be seriously painful for you.

So we've designed what we do to make sure it's as easy as possible for you to get things sorted & to provide plenty of options so we can help make it as cruisy, casual or formal as you'd like it to be.

As for how many folks we can host in our place... roughly about 130 seated or 150 casual cocktail style.
